

## Key Instant Recall Facts

### Target 1

I know days and months.

By the end of this half term, you should know the following facts. The aim is to recall these facts **instantly**. You should also be familiar with using the key vocabulary.

Monday	January	August
Tuesday	February	September
Wednesday	March	October
Thursday	April	November
Friday	May	December
Saturday	June	
Sunday	July	

You should be able to recall these in order as well as answer questions such as 'What day comes after...' or 'Which month is before...?'

## Weekly KIRF Tasks

- **Week 1** - Make a poster of the facts for your bedroom wall or your fridge. Look at it every day!
- **Week 2** - Make up a poem or a song of your facts. Use it to help you practise. Sing it on the way to school!
- **Week 3** - Ask your parents to test you saying the days and months in order.
- **Week 4** - See if you can write them down. Ask a parent to time it. Then do it again and beat your time.
- **Week 5** - See if you can write them down backwards!
- **Week 6** - Teach these facts to someone who doesn't know them. This could be a baby brother or sister, someone in your class, or maybe even someone else in your family!
