'Small enough to care. Large enough to inspire

Valuing all God's children'

All things are possible for one who believes' Mark 9 v 23

Friday 13th September

Dear Parents/Carers

Rugby with the Saints

We are excited to tell you about a new partnership that we have started with the Saints rugby team in Northampton. The children have all taken part in a rugby session at school today with a school coach from the Saints and have had a great time!

Following on from this, we are offering an after school club organised and delivered by the same coach in school. This will take place on a Wednesday evening from 3:30-4:30pm. The club is being offered for free with a maximum of 20 children attending. Therefore, this will be offered on a first come first serve basis. If you would like your child to attend, please complete the slip below and return to school as soon as possible.

The first course will run for 6 week up until October half term for KS2 children. The second course will run for 6 week up until Christmas for KS1 children; a letter for this will follow.

Children are required to wear their school PE kit for the club and will require warm clothing (e.g. a tracksuit) as the club will take place outside in all weather. Football boots or trainers are essential. A member of school staff will work alongside the Saints coach during the sessions.

We will be contacting you again in the near future with further information about the partnership work we will be doing with the Saints.

If you have any questions, please come into the school office.

Kind Regards

Stacy Powell

Deputy Headteacher

Name: _____

Class: _____

I would like my child to be considered for the rugby after school club with the Saints.
