

Art

We are going to exploring Prehistoric Cave paintings and become the artists of the past; making our own paints and tools and fully immersing ourselves in the art of this period.

Science

We are going to be exploring states of matter. We will be looking at what the three states of matter are and how one state can change to another.

English

Our focus this term will be adventure stories. We will be exploring the style of adventure story writing and focusing on atmosphere, dialogue and the use of paragraphs. We will then move on to journalist recounts where we will focus on the structure of recount writing and the use of direct and indirect quotes.

Computing

We will be looking at what algorithms are and exploring how to use, explain and correct algorithms and programs.

Scavengers and settlers

Autumn 1

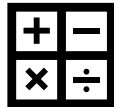

Class 2

Maths

Yr3: Number knowledge and Addition and Subtraction to 1000.

Yr4: Number knowledge and Addition and Subtraction to 10,000.

History

We will be looking at the Stone Age to Iron Age Era, exploring how we find out about the past, what life was like during this period and ways in which we can record our own work to represent the past.

PE

We will be using our REAL PE lessons to explore the skill of perseverance and to help recognise where we are with our learning and how we might improve.

RE

We will be exploring how different people mark and celebrate events in life.
