6. Additional detail

The progress of all our children, including PP children is monitored regularly by the Headteacher, subject leads, SENCo, Assistant Headteacher and class teachers. Formal monitoring happens once a term and in some areas half termly and necessary actions are agreed to prevent any child falling behind and to ensure high achievers remain challenged. Intervention programmes and whole school strategies are evaluated closely by all stakeholders and the impact measured.

The federation offers all our pupils greater wider opportunities by working closely together.
