## Context

- On 4<sup>th</sup> January 2021 parents were asked to keep their children at home, wherever possible, as part of the response to COVID-19. Schools and childcare providers were asked to provide care for a limited number of children - children who are vulnerable, and children whose parents are key workers and cannot be safely cared for at home.
- The way The Forest Federation is currently operating in response to coronavirus is fundamentally different, however, our safeguarding principles in accordance with 'Keeping Children Safe in Education' (KCSIE) 2019, remain the same:
  - the best interests of children will always come first
  - if anyone has a safeguarding concern about any child they should continue to act and act immediately
  - a DSL or deputy DSL is available
  - unsuitable people are not allowed to enter the children's workforce and/or gain access to children
  - children should continue to be protected when they are online
- This addendum of The Forest Federation's Child Protection and Safeguarding policy contains details of any amendments to our existing safeguarding arrangements.

## Important contacts

ROLE	NAME	CONTACT DETAILS
Designated safeguarding lead (DSL)	Eliza Hollis	07719 900802
Deputy DSL	Stacy Powell	07718 917203
Designated member of senior leadership team if DSL (and deputy) can't be on site	Kelly Lea Andrew Henry- Moore Michael McLoughlin Doreen Howie	07595 485458 07542 723227 07879 333762 07963 429499
Headteacher	Eliza Hollis	07719 900802
Local authority designated officer (LADO)	Andy Smith Chris Lamb	ladoreferral@northamptonshire.gov.uk
Chair of governors	Daniel Lister	07771 978042

## 1. Scope and definitions

This addendum applies during the period of school closure due to COVID-19, and reflects updated advice from our local authority (LA) Northants County Council

It sets out changes to our normal child protection policy in light of the Department for Education's guidance [Coronavirus: safeguarding in schools, colleges and other providers](#), and should be read in conjunction with that policy.

Unless covered here, our normal child protection policy continues to apply.

The Department for Education's (DfE's) definition of 'vulnerable children' includes those who:

- Have a social worker, including children:
  - With a child protection plan
  - Assessed as being in need
  - Looked after by the local authority
- Have an education, health and care (EHC) plan

## 2. Core safeguarding principles

We will still have regard to the statutory safeguarding guidance, [Keeping Children Safe in Education](#).

Although we are operating in a different way to normal, we are still following these important safeguarding principles:

- The best interests of children must come first
- If anyone has a safeguarding concern about any child, they should continue to act on it immediately
- A designated safeguarding lead (DSL) or deputy should be available at all times (see section 4 for details of our arrangements)
- It's essential that unsuitable people don't enter the school workforce or gain access to children
- Children should continue to be protected when they are online

### 3. Reporting concerns

All staff and volunteers must continue to act on any concerns they have about a child immediately. It is still vitally important to do this, both for children still attending school and those at home. This should be done via EduKey as per standard procedure. Once a concern is reported, Eliza Hollis, Stacy Powell and school leads are notified via email.

As a reminder, all staff should continue to work with and support children's social workers, where they have one, to help protect vulnerable children.

### 4. DSL (and deputy) arrangements

We aim to have a trained DSL or deputy DSL on site wherever possible. Details of all important contacts are listed in the 'Important contacts' section at the start of this addendum.

If our DSL can't be in school, they can be contacted remotely by: 07719 900802

We will keep all school staff and volunteers informed by email as to who will be the DSL (or deputy) on any given day, and how to contact them.

We will ensure that DSLs (and deputies), wherever their location, know who the most vulnerable children in our school are.

On occasions where there is no DSL or deputy on site, a senior leader will take responsibility for co-ordinating safeguarding. This will be Eliza Hollis. You can contact them on 07719 900802

The senior leader will be responsible for liaising with the off-site DSL (or deputy) to make sure they (the senior leader) can:

- Identify the most vulnerable children in school
- Update and manage access to child protection files, where necessary
- Liaise with children's social workers where they need access to children in need and/or to carry out statutory assessments

### 5. Working with other agencies

We will continue to work with children's social care, and with virtual school heads for looked-after and previously looked-after children.

We will continue to update this addendum where necessary, to reflect any updated guidance from:

- local safeguarding partners
- The local authority about children with education, health and care (EHC) plans, the local authority designated officer and children's social care, reporting mechanisms, referral thresholds and children in need

### 6. Monitoring attendance

We will resume taking our attendance register. We will also continue to submit the Department for Education's daily online attendance form, until no longer asked to do so.

Where any child we expect to attend school doesn't attend, or stops attending, we will:

- Follow up on their absence with their parents or carers, by telephone and/or email
- Notify their social worker, where they have one

We will make arrangements with parents and carers to make sure we have up-to-date emergency contact details, and additional contact details where possible.

## 7. Peer-on-peer abuse

We will continue to follow the principles set out in part 5 of Keeping Children Safe in Education when managing reports and supporting victims of peer-on-peer abuse.

Staff should continue to act on any concerns they have immediately – about both children attending school and those at home.

## 8. Concerns about a staff member or volunteer

We will continue to follow the principles set out in part 4 of Keeping Children Safe in Education.

Staff should continue to act on any concerns they have immediately – whether those concerns are about staff/volunteers working on site or remotely. This should be done through Edukey or via telephone call to Eliza Hollis on 07719 900802.

We will continue to refer adults who have harmed or pose a risk of harm to a child or vulnerable adult to the Disclosure and Barring Service (DBS).

We will continue to refer potential cases of teacher misconduct to the Teaching Regulation Agency. We will do this using the email address [Misconduct.Teacher@education.gov.uk](mailto:Misconduct.Teacher@education.gov.uk) for the duration of the COVID-19 period, in line with government guidance.

## 9. Support for children who aren't 'vulnerable' but where we have concerns

We have the option to offer places in school to children who don't meet the Department for Education's definition of 'vulnerable', but who we have safeguarding concerns about. We will work with parents/carers to do this. School teachers will notify Eliza Hollis of any children who they are concerned about.

If these children will not be attending school, we will put a contact plan in place, as explained in section 10 below.

## 10. Contact plans

We have contact plans for children with a social worker and children who we have safeguarding concerns about, for circumstances where:

- They won't be attending school (for example where the school, parent/carer and social worker, if relevant, have decided together that this wouldn't be in the child's best interests); or
- They would usually attend but have to self-isolate

Each child has an individual plan which sets out:

- Eliza Hollis will make weekly contact with children and families.
- This will be via a weekly telephone conversation or email.
- Notes from the telephone call will be recorded on EduKey under the meeting section

We have agreed these plans with children's social care where relevant and will review them every four weeks or sooner if the need arises.

If we can't make contact, we will contact children's social care.

## 11. Safeguarding all children

Staff and volunteers are aware that this difficult time potentially puts all children at greater risk.

Staff and volunteers will continue to be alert to any signs of abuse, or effects on pupils' mental health that are also safeguarding concerns, and act on concerns immediately in line with the procedures set out in section 3 above.

### 11.1 Children returning to school

The DSL (or deputy) will do all they reasonably can to find out from parents and carers whether there have been any changes regarding welfare, health and wellbeing that they should be aware of before the child returns.

The DSL (and deputy) will be given more time to support staff and children regarding new concerns (and referrals as appropriate) as more children return to school.

Staff and volunteers will be alert to any new safeguarding concerns as they see pupils in person.

### 11.2 Children at home

The school will maintain contact with children who are not yet returning to school. Staff will try to speak directly to children at home to help identify any concerns. They will use school phones and devices to make calls home. Or, if necessary they will use personal phones but they will withhold their personal number.

Staff and volunteers will look out for signs like:

- Not completing assigned work or logging on to school systems
- No contact from children or families
- Seeming more withdrawn during any class check-ins or video calls

See section 13 below for information on how we will support pupils' mental health.

## 12. Online safety

### 12.1 In school

We will continue to have appropriate filtering and monitoring systems in place in school.

If IT staff are unavailable, our contingency plan is to contact RM via remote login methods/helpdesk.

### 12.2 Outside school

Where staff are interacting with children online, they will continue to follow our existing IT acceptable use policy.

Staff will make all contact with children and families via Microsoft Teams or ClassDojo. Any other form of contact must be authorised by the Headteacher (Eliza Hollis).

Staff will use school equipment to make contact with children and families and not their own personal equipment. Staff will not meet 1:1 with pupils online but in small groups or as a class. If 1:1 interaction is required, permission must be sought from the headteacher prior to the interaction.

Staff will continue to be alert to signs that a child may be at risk of harm online, and act on any concerns immediately, following our reporting procedures as set out in section 3 of this addendum.

We will make sure children know how to report any concerns they have back to our school, and signpost them to other sources of support too.

### **13.3 Working with parents and carers**

We will make sure parents and carers:

- Are aware of the potential risks to children online and the importance of staying safe online
- Know what our school is asking children to do online, including what sites they will be using and who they will be interacting with from our school
- Are aware that they should only use reputable online companies or tutors if they wish to supplement the remote teaching and resources our school provides
- Know where else they can go for support to keep their children safe online

Information about how to help keep children safe online will be shared with parents via their class teachers on ClassDojo.

## **13. Mental health**

### **13.1 Children returning to school**

Staff and volunteers will be aware of the possible effects that this period may have had on pupils' mental health. They will look out for behavioral signs, including pupils being fearful, withdrawn, aggressive, oppositional or excessively clingy, to help identify where support may be needed.

### **13.2 Children at home**

Where possible, we will continue to offer our current support for pupil mental health for all pupils.

We will also signpost all pupils, parents/carers and staff to other resources to support good mental health at this time.

When setting expectations for pupils learning remotely and not attending school, teachers will bear in mind the potential impact of the current situation on both children's and adults' mental health.

## **14. Staff recruitment, training and induction**

### **14.1 Recruiting new staff and volunteers**

We continue to recognise the importance of robust safer recruitment procedures, so that adults and volunteers who work in our school are safe to work with children.

We will continue to follow our safer recruitment procedures, and part 3 of Keeping Children Safe in Education.

In urgent cases, when validating proof of identity documents to apply for a DBS check, we will initially accept verification of scanned documents via online video link, rather than being in physical possession of the original documents. This approach is in line with revised guidance from the DBS.

New staff must still present the original documents when they first attend work at our school.

We will continue to do our usual checks on new volunteers and do risk assessments to decide whether volunteers who aren't in regulated activity should have an enhanced DBS check, in accordance with paragraphs 167-172 of Keeping Children Safe in Education.

### **14.2 Staff 'on loan' from other schools**

We will assess the risks of staff 'on loan' working in our school and seek assurance from the 'loaning' school that staff have had the appropriate checks. Mrs Sharon Townsend will be responsible for all checks on these staff members.

We will also use the DBS Update Service, where these staff have signed up to it, to check for any new information.

### **14.3 Safeguarding induction and training**

We will make sure staff and volunteers are aware of changes to our procedures and local arrangements.

New staff and volunteers will continue to receive:

- A safeguarding induction
- A copy of our children protection policy (and this addendum)
- Keeping Children Safe in Education part 1

We will decide on a case-by-case basis what level of safeguarding induction staff 'on loan' need. In most cases, this will be:

- A copy of our child protection policy and this addendum
- Confirmation of local processes
- Confirmation of DSL arrangements

## **15. Children attending other settings**

Where children are temporarily required to attend another setting, we will make sure the receiving school is provided with any relevant welfare and child protection information.

Wherever possible, our DSL (or deputy) and/or special educational needs co-ordinator (SENCO) will share, as applicable:

- The reason(s) why the child is considered vulnerable and any arrangements in place to support them
- The child's EHC plan, child in need plan, child protection plan or personal education plan
- Details of the child's social worker
- Details of the virtual school head

Where the DSL, deputy or SENCO can't share this information, the senior leader(s) identified in section 4 will do this.

We will share this information before the child arrives as far as is possible, and otherwise as soon as possible afterwards.

## **16. Monitoring arrangements**

This policy will be reviewed as guidance from the 3 local safeguarding partners, the LA or DfE is updated, and as a minimum 4 weeks by the Headteacher – Eliza Hollis. At every review, it will be approved by the full governing board.

## **17. Links with other policies**

This policy links to the following policies and procedures:

- Child protection policy
- Staff code of conduct policy
- IT acceptable use policy
- Health and safety policy
- Online safety policy

## **18. SLT Working Arrangements**

Wherever possible, there will be a member of SLT on site for our school based provision during the closure of schools. They will ensure they adhere to social distancing and continue to wash their hands frequently throughout the day.
