Valuing all God's children'

All things are possible for one who believes' Mark 9 v 23

Whittlebury CE Primary School

SEN Information Report 2021-22

We have developed our Local Offer alongside that set out by Northamptonshire County Council, which can be found [here](#).

Introduction

The purpose of this document is to clarify to parents, staff and Governors, how the special educational needs of children are managed at Whittlebury CE Primary School and how the school SEN policy is put into practice.

Objectives

- To identify effectively and assess the needs of all children
- To set appropriate targets that accelerate progress
- To monitor and review learning and raise achievement
- To liaise with and involve parents and value their contribution to their child's education
- To listen and respect the views of the child

The kinds of Special Educational Needs and disabilities provided for:

Our school currently provides additional and/or different provision for a range of needs, including:

- **Communication and interaction**, for example autistic spectrum disorder, Asperger's syndrome, speech and language difficulties
- **Cognition and learning**, for example dyslexia, dyspraxia
- **Social, Emotional and mental wellbeing**, for example attention hyperactivity disorder (ADHD)
- **Sensory and/or physical needs**, for example visual impairments, hearing impairments, processing difficulties, epilepsy
- **Moderate/severe and multiple learning difficulties**

Identification of Pupils with SEND

We will assess each pupil's current skills and levels of attainment on entry, which will build on previous settings and Key Stages, where appropriate. Class teachers will make regular assessments of progress for all pupils and identify those whose progress:

- Is significantly slower than that of their peers starting from the same baseline
- Fails to match or better the child's previous rate of progress
- Fails to close the attainment gap between the child and their peers
- Widens the attainment gap

This may include progress in areas other than attainment, for example, social needs.

Slow progress and low attainment will not automatically mean a pupil is recorded as having SEN.

The Forest CE Federation

'Small enough to care. Large enough to inspire
Valuing all God's children'

All things are possible for one who believes' Mark 9 v 23

Identification of pupils with SEND will come from a range of sources:

- Progress monitored by teachers as part of an ongoing observation and assessment which identifies differences between attainment and achievement and pupil progress meetings
- Progress made against objectives specified in the Birth to Five Foundation Curriculum and Primary National Curriculum
- Standardised screening and assessment tools
- Signposted from pre-school information or parental concerns
- Concerns raised on entry to the school in any year group or concerns raised by previous school
- Liaison with Local Authority or other outside professional
- Concerns raised because a child is under the care of the Local Authority

When deciding whether special educational provision is required, we will start with the desired outcomes, including the expected progress and attainment, and the views and the wishes of the pupil and their parents. We will use this to determine the support that is needed and whether we can provide it by adapting our core offer, or whether something different or additional is needed.

Our SEN profile for 2021-22 shows that we had 16% of children identified as having SEN.

Consulting and involving pupils and parents

We will have an early discussion with the pupil and their parents when identifying whether they need special educational provision. These conversations will make sure that:

- Everyone develops a good understanding of the pupil's areas of strength and difficulty
- We take into account the parents' concerns
- Everyone understands the agreed outcomes sought for the child
- Everyone is clear on what the next steps are

Notes of these early discussions will be added to the pupil's record using our online system, EduKey.

We will formally notify parents when it is decided that a pupil will receive SEN support.

Parents who have a concern about their child or would like to discuss their child's SEND provision should contact the class teacher or the SENCo in the first instance. If there are still concerns, then a meeting may be arranged with the Head teacher.

Parents receive termly reports informing them of their child's attainment and progress. They are also invited to termly parents' evenings and reviews with outside professionals where appropriate.

When possible, we involve children in the setting and reviewing of targets and provision.

When working with pupils, we will follow the graduated approach and the four-part cycle of **assess, plan, do, review**.

The class teacher will work with the SENCO to carry out a clear analysis of the pupil's needs. This will draw on:

- The teacher's assessment and experience of the pupil
- Their previous progress and attainment or behaviour
- Other teachers' assessments, where relevant
- The individual's development in comparison to their peers and national data
- The views and experience of parents
- The pupil's own views

The Forest CE Federation

'Small enough to care. Large enough to inspire
Valuing all God's children'

All things are possible for one who believes' Mark 9 v 23

- Advice from external support services, if relevant
- The assessment will be reviewed regularly.

All teachers and support staff who work with the pupil will be made aware of their needs, the outcomes sought, the support provided, and any teaching strategies or approaches that are required. We will regularly review the effectiveness of the support and interventions and their impact on the pupil's progress.

Should the provision provided not appear to meet the needs of the child, a formal statutory assessment may be sought.

Whittlebury CE Primary School receives funding directly to the school from the Local Authority to support the needs of learners with SEN. The amount of funding we received for 2021-22 was £27436, through £21061 Notional SEN and £6375 top-up funding.

Additional funding is available from the local authority's Higher Needs Funding Block and applications are made when the school projects spending of over £6000 above the AWPU.

Transition

Whittlebury CE Primary School will liaise with transfer schools, pre-schools and other additional outside agencies before a child starts. An enhanced transition plan may be implemented if necessary.

Children moving to secondary school will have a programme of transition organised. Some children will have an enhanced transition plan if parents and staff feel it is appropriate.

Our Approach to teaching pupils with SEN

Teachers are responsible and accountable for the progress and development of all the pupils in their class. High-quality teaching is our first step in responding to pupils who have SEN. This will be differentiated for individual pupils.

Universal Provision

- Adaptions including workstations and visual timetables
- Pre teaching key vocabulary – all areas of the curriculum
- Class Teaching Assistant targeted support
- Differentiated curriculum
- Pastoral support
- Sounds Write
- Mathematics and Times Tables Rockstars
- Reading teaching and learning (including reading intervention, Book Talk)
- Kinetic Letters

Adaptations to the curriculum and learning environment

We make the following adaptations to ensure all pupils' needs are met:

- Differentiating our curriculum to ensure all pupils are able to access it, for example, by grouping, 1:1 work, teaching style, content of the lesson, etc.
- Adapting our resources and staffing

The Forest CE Federation

'Small enough to care. Large enough to inspire
Valuing all God's children'

All things are possible for one who believes' Mark 9 v 23

- Using recommended aids, such as laptops, coloured overlays, visual timetables, larger font, etc.
- Differentiating our teaching, for example, giving longer processing times, pre-teaching of key vocabulary, reading instructions aloud, etc.
- Structured Lunchtimes/breaktimes
- Targeted interventions for specific children or groups of children
- Drawing and Talking

Support may also come in the form of additional resources.

We work with the following agencies to provide support for pupils with SEN:

- Educational Psychologists
- Speech and Language Team support
- Occupational Therapy support
- Physiotherapy support
- CAMHS
- Target Autism
- Visual Impairment Team and Mobility officers
- JoGo Behaviour support

Whittlebury C of E Primary School commissioned, for 2021-22 support from:

Educational Psychologist	2 sessions
--------------------------	------------

We also employed 3 class-based Teaching Assistants, 2 1:1 Teaching Assistants and 1 SEN Teaching Assistant (part-time) who delivered the intervention outlined in the provision map as co-ordinated by our Deputy Head teacher and SENCo.

Support for improving emotional and social development

Whittlebury CE Primary School has a pastoral system in place to support children with their social and emotional development. Each child can access support from:

- Class teachers
- Teaching Assistants
- Specialist teaching assistant

We provide support for pupils to improve their emotional and social development in the following ways:

- Pupils with SEN are encouraged to be part of the school council
- Pupils with SEN are also encouraged to be part of any available clubs to promote teamwork skills as well as building friendships.

We have a zero tolerance approach to bullying.

The Forest CE Federation

'Small enough to care. Large enough to inspire
Valuing all God's children'

All things are possible for one who believes' Mark 9 v 23

Staff Development

Those staff involved in SEND are:

- Special Needs Co-ordinator (SENCo)
- The Head teacher
- Class Teachers
- Teaching Assistants (TAs)
- School Governor with SEN responsibilities

These staff have experience in:

- Autism
- Speech, Language and Communication needs
- Emotional and behavioural needs
- School staff also liaise with additional outside agencies, including: Educational Psychologist (EP), Community Paediatrician, Social Services, ASD team, CAMHS, SALT, OT and School Nurse.

We encourage all staff to take up training opportunities and attend relevant courses provided by the County Council and outside agencies to develop and upgrade skills and knowledge in SEND.

Evaluating the effectiveness of SEN provision

We evaluate the effectiveness of provision for pupils with SEN by:

- Reviewing pupils' individual progress towards their goals each term
- Reviewing the impact of interventions after 6 weeks
- Using pupil questionnaires
- Monitoring by the SENCO
- Using provision maps to measure progress
- Holding annual reviews for pupils with EHC plans

Progress and Achievement

Progress will be measured against national Age-Related Expectations. Where children have complex needs, they may be assessed using the pre-key stage standards. The assessment and recording of progress are monitored termly.

It may be necessary to carry out extended, detailed assessments to inform the next stage of planning. These may involve external professionals where appropriate. Assessment information and pupil progress are available to parents at IEP reviews, parent consultations and in annual reports.

Enabling pupils with SEND to engage in activities available to those in the school who do not have SEND

All of our extra-curricular activities and school visits are available to all our pupils, including our before and after school clubs.

All pupils are encouraged to go on our residential trips which take place in Year 4 and Year 6.

The Forest CE Federation

'Small enough to care. Large enough to inspire
Valuing all God's children'

All things are possible for one who believes' Mark 9 v 23

All pupils are encouraged to take part in Federation days, sports days, inter-school visits, special workshops and day trips.

No pupil is ever excluded from taking part in these activities because of their SEN or disability.

Risk assessments are carried out and all reasonable adjustments are put in place to enable all children to participate as fully as possible. Any potential barriers will be discussed with parents.

Arrangements for the admission of disabled pupils

All details of our school admission criteria can be found in our admissions policy which can be accessed via the Forest Federation website. www.forestfederation.co.uk

All details of the steps we have taken to prevent disabled pupils from being treated less favourably than other pupils and the facilities we provide to help disabled pupils access your school can be found in our accessibility plan via our website. The accessibility plan covers:

- Increasing the extent to which pupils with disabilities can participate in our curriculum,
- Improving the physical environment to enable disabled pupils to take better advantage of the education, benefits, facilities and services provided,
- Improving the availability of accessible information to disabled pupils.

Complaints about SEN provision

Complaints about SEN provision in our school should be made to the SENCo in the first instance. They will then be referred to the school's complaints policy.

The parents of pupils with disabilities have the right to make disability discrimination claims to the first-tier SEND tribunal if they believe that our school has discriminated against their children. They can make a claim about alleged discrimination regarding:

- Exclusions
- Provision of education and associated services
- Making reasonable adjustments, including the provision of auxiliary aids and services

Contact Details for further information

Mrs Eliza Hollis, Headteacher or Mrs Doreen Howie, School Lead on 01327 857700

Mrs Stacy Powell, SENCo on 01327 857700

This policy links to our policies on:

- SEN and disabilities policy
- Accessibility plan
- Admissions policy
- Behaviour policy
- Equality information and objectives policy
- Supporting pupils with medical conditions policy
