

**Rivers and Coasts- Our Geography focus for  
this term!  
Years 5 & 6  
Autumn Term 2 2022**

**PHSE**

We will be 'Celebrating Differences' during PSHE lessons.  
Our school value this term is 'Compassion.'

**Computing**

The unit we will look at this term is called, 'We are computational thinkers.'

**RE**

This term, we will study 'Incarnation' and find evidence to answer the question, 'Was Jesus the Messiah?'

**PE**

P.E lessons will continue for Class 3 on Fridays. Please keep P.E kits in school all week though as PE days may vary. Swimming will also continue to take place on Tuesdays until 13<sup>th</sup> December.

**English**

This term, we will focus on writing a balanced argument. We will study different examples of text in this style and will continue with short bursts of writing along the way. Our class reader this term is 'Letters from the light house' by Emma Carroll.

**Maths**

In Year 5, we will focus on multiplication and division and problem solving.

In Year 6, we will focus on fractions and decimals.

Remember to use Mathletics and TT Rockstars as much as possible!

**Science**

Our topic this term is 'Materials and their properties.' We will be learning about the uses of materials and how their properties are suited to this. We will also conduct experiments, focusing on separating mixtures using various techniques including sieving, filtration and evaporation.

**Music, Art & DT**

In Music, we will be looking at music and form. The focus in art this term is printing and we will also study the work of Katsushika Hokusai. In DT, pupils will be designing bridges.
