Primary PE and Sport Premium Key Outcome Indicator	What the money was spent on	Funding	Aim	Impact	Next steps/ sustainability
1. Increase the knowledge and skills of teachers.	Pacesetters	£2280	To enable staff to observe high quality teaching of gymnastics.	High quality teaching observed and teachers informed for future planning.	Re-book for next year and encourage children to participate out of school.
2. Provide high quality resources	Equipment purchased (Mesh holdall, bands, netballs, markers, netball nets, target equipment, kurling sets, football goals)	£2483.83	<p>To give the teachers the best possible resources to teach high-quality PE.</p> <p>To ensure the children have adequate resources to help develop active lunch-time activities.</p>	High quality PE lessons taught (observations) Progression in cluster tournaments (intra school)	Ensure the equipment is audited/ school learning council tasked to further improve equipment.

3. Development of life-skills	Bikeability course	£264	To give children road safety awareness when riding bikes	Safe practice and avoidance of accidents.	Revision of skills learnt- passing on knowledge to other students. Re-book for next year.
4. Early Years Equipment	Helmets, obstacle course, rope ladder/ slacklines	£499.42	To provide opportunity for physical development	High quality outdoor activities for the children to access	Ensure equipment is maintained.

Swimming report

Due to COVID -19 no swimming has taken place at Yardley Gobion Primary School this year

Three priorities for 2021/2022

- To give children more opportunities to participate in physical activities at lunch times.
- To participate in a wider variety of inter-school competitions and improve cluster sporting event delivery.
- To ensure Y6 children are given extra swimming opportunities if they are unable to swim 25m (Y6 children have missed a year of swimming)
