

History- The Mayan Civilisation.

Years 5 & 6
Autumn 1 2023

English

In English, we will start the term by completing a fiction unit called Defeat a Monster. Our targets include vivid descriptions of character and setting and developing action sequences.

Our class reader for this term is Beowulf by Michael Morpurgo.

Maths

Both Year Groups will continue to use Maths No Problem as a platform to develop their learning. In both Year 5 and Year 6, we will focus on Place Value, addition, subtraction, multiplication and division.

PHSE

We will be studying the unit 'Being Me!' We aim to help each other and value all the qualities we have as individuals.

RE

This term, we will study Sikhism and we will learn how we can apply our knowledge of the faith to help us to make the world a better place.

Science

Our topic this term is on Earth and Space.

We will learn about the order of the planets and develop some amazing knowledge about them all!

Computing

In addition to teaching skills to support pupils across the curriculum, we will be creating our own games in We are Game Developers.

PE

In PE, we will focus on the Personal cog in Real PE. We will also be completing football sessions with Rhino Sports, swimming and completing outdoor adventure on the residential in Year 6.

History, Music, Art and DT.

The History unit this term is on Mayan society and our understanding of fairness.

In Music, the theme is based on being Happy.

Art studies 2d drawings to make 3d (and there are some exciting links to space!)

Our DT unit focuses on food technology and is called Come Dine with Me.
