

Brazil- Our Geography focus for this term!
Years 5 & 6
Autumn Term 2 2023

English

This term, we be writing persuasive texts by using effective writing tools such as hyperbole, rhetorical questions and anecdotes. There will be plenty of opportunity to discuss different texts from this genre of writing.

Our class reader this term is 'The Eye of the North' by Sinead O'Hart.

Maths

In Year 5, we will focus on multiplication and division and problem solving.

In Year 6, we will focus on fractions and decimals.

Remember to use Mathletics and TT Rockstars as much as possible!

PHSE

We will be 'Celebrating Differences' during PSHE lessons.
Our school value this term is 'Trust.'

RE

This term, we will study 'Incarnation' and find evidence to answer the question, 'Was Jesus the Messiah?'

Computing

The unit we will look at this term is called, 'We are Cryptographers' where we will be deciphering codes.

PE

P.E lessons will continue for Class 3 on Monday with Rhino Sports. Please make sure PE kits are in all week. Swimming will also continue to take place on Tuesdays until 12th December.

Science

Our topic this term is Properties of Materials. We will recap reversible and irreversible reactions and also look at different solutions including suspensions and colloids. We will also be making our own mini rocket using a chemical reaction.

Music, Art & DT

In Music, we will be listening to 'Classroom Jazz' and practicing for our Christmas show.

The focus in Art this term is to print, collage and draw within the unit called 'Activism.'

In DT, pupils will be designing playgrounds.
