

The Tudors- Class 2 Spring 1 2024

English

This term we will be writing our own tale of fear. This will focus on building suspense through description and other compositional tools. As our class reader, we will be continuing to read Podkin One Ear, which the children are really enjoying!

Maths

In Year 3 we will be continuing to look at multiplication and division as well as length and mass.

Year 4 will be looking at graphs and fractions

In Year 5, we will focus on graphs and fractions

In Year 6, we will focus on decimals and measure.

PHSE

We will be beginning to explore how to use zones of regulation to self-regulate and understand our behaviour and feelings and develop greater emotional literacy.

RE

This term, we will study creation and science looking at the views of scientists and Christians and how these compliment and differ from each other. The children will get to explore their own thoughts and feelings through art and explore Genesis in more detail.

Science

Year 3 and 4 will be looking at forces. We will be learning about everything from pushes and pulls right through to magnetism.

Year 5 and 6 will be looking at evolution and inheritance. This unit will focus on natural selection, how genetic traits are passed on and look at the process of evolution itself.

Computing

The unit we will be looking at creating our own games. This will be through learning how to use a range of interactive tools through different software.

PE

P.E lessons will continue with Rhino sports for class 2 on a Friday. This will look at teaching elements of dance and will be indoors. Swimming will also take place for all of class 2 on a Tuesday morning.

History and Art

In History this half term, we will be looking at the Tudors. This will involve looking at what a range of historical sources can tell us about the Tudor period. We will also be exploring the life of Henry VIII and his wives.

In Art we will be looking at how colour and imagery has been used by the artist Hans Holbein. We will be exploring our likes and dislikes as artists and thinking about the symbolism used in different compositions. The children will then produce their own painting in this style.
