

**Brazil-
Class 2
Autumn Term 2 2023**

English

This term, we be writing persuasive texts by using effective writing tools such as hyperbole, rhetorical questions and anecdotes. There will be plenty of opportunity to discuss different texts from this genre of writing.

Our class reader this term will continue to be Krindlekrax.

Maths

In Year 3 we will be focusing on multiplication and division.

Year 4 will be looking at multiplication and division, with a focus on multiplying larger numbers.

In Year 5, we will focus on multiplication and division and problem solving.

In Year 6, we will focus on fractions and decimals.

PHSE

We will be 'Celebrating Differences' during PSHE lessons.

Our school value this term is 'Trust.'

RE

This term, we will study 'Incarnation' and find evidence to answer the question, 'Was Jesus the Messiah?'

Science

Year 3 and 4 will be looking at electricity. We will be learning about simple circuits and their parts and learning about conductors and insulators.

Year 5 and 6 will be looking at properties of materials. We will recap reversible and irreversible reactions and also look at different solutions and use chemical reactions to make a rocket.

Computing

The unit we will look at this term is called, 'We are Cryptographers' where we will be deciphering codes.

PE

P.E lessons will continue for Class 2 on Wednesday with Rhino Sports. Please make sure PE kits are in all week as another PE session will also occur during the week. This will, most likely, be on a Friday but the day may change depending on lessons.

Geography, Art and DT

In Geography we will be looking at Brazil. We will be looking at geographical features of the country and issues it faces such as deforestation. We will also be developing our skills through finding and using grid references.

The focus in Art this term is to print collage and draw within the unit called 'Activism.'

In DT, pupils will be designing playgrounds.
