

Geography.

Why does our population change?

Years 5 & 6

Autumn 2 2025

PHSE

We will be studying the unit CITIZENSHIP. We aim to help each other and value all the qualities we have to become good citizens.

Computing

In addition to teaching skills to support pupils across the curriculum, we will be learning about the advantages and disadvantages of using AI.

RE

This term, we will study People and God and how following God can bring freedom and justice.

PE

In PE, we will be having a session each week on a Tuesday afternoon with Rhino sports doing netball skills. We will also have a Federation football tournament in November.

English

In English, we will start the term by completing a non-fiction unit on a persuasion/explanation.

Our class reader for this term will continue to be Beowulf by Michael Morpurgo, but we will also study different types of persuasion texts.

Maths

Both Year Groups will continue to use Maths No Problem as a platform to develop their learning. There will be a focus on multiplication and division in Year 5, where Year 6 will be studying Fractions and decimals.

Science

Our topic this term is 'Light and reflection.' This unit will involve learning how light travels, how an eye can see images and how shadows are formed. This will also involve some interesting and engaging experiments.

Music, Art and DT.

In Music, the theme is based on The Blues.

Art is the study of the unit Drawing: I need Space.
