

Dear Parents

From September 'Stay and Play' will be providing after school care for children attending both Gayton and Stoke Bruerne schools.

The club will be based at Gayton School. It will provide after school care until 5.30pm, booked in one or two hour slots.

The cost will be:

- £5 per child for one hour's care, collection by 4.30pm including a healthy snack.
- £10 per child for two hours care, collection by 5.30pm including a healthy light tea.

The objective of the club will be to facilitate positive play in a safe environment after a long day at school!

We hope to maximise out door play through the use of Gayton Park and green wherever possible, before returning to the school hall for snacks and indoor activities.

If you would like to use the club please complete the registration and booking forms and return these to your school office.

If you require care for the first two weeks in September please return the forms before Wednesday 19th July.

With kind regards

Alison Anderson and Rachel Sears
